

The MHS Athletic Hall of Fame Fund

Established 2016

Declaration of Guidelines

Founding

The fund has been established through a gift from former Murray High School football and soccer player Tim Masthay, who distinguished himself as a football player at the University of Kentucky and with the National Football League Green Bay Packers.

Purpose

Earnings from the endowed fund will provide continuing means to recognize the achievements of former athletes, teams, coaches, and contributors who have helped create the athletic heritage of Murray High School. Members of the Hall of Fame will be recognized in three categories: Athlete/Team (Players), Legend (Coach), and Contributor.

Selection of Members

Candidates who exemplify the highest standards in sportsmanship, behavior, leadership, and character may be nominated at any time. Members are chosen by a committee appointed and chaired by the Athletic Director at Murray High School. Criteria for nomination include the following: Athletes must have graduated from and competed for MHS for a minimum of two years; they become eligible for selection and induction five years after graduating. Teams may be selected and inducted no earlier than five years after the achievements for which they are nominated. Legends are eligible to be selected five years after completing their terms; they must have coached at MHS for a minimum of five varsity seasons and contributed significantly to an athletic program. Contributors are eligible to be selected when nominated; they must have provided significant support to an athletic program for a minimum of five years. A maximum of four Athletes, one Team, one Legend, and one Contributor may be inducted in each year after the first.

Management

The fund is managed by the MISD Foundation for Excellence and contributions are welcome. Funds remaining from the original gift, after expenditures to establish the Hall of Fame and fund it for a second year, will constitute the principal of the endowment, which shall never be invaded. The principal will be invested in order to generate income which will be used to fund awards and activities after the second year. The amount available will be determined annually by the foundation.

Contact Persons

The following persons periodically will be informed about the status of the fund:
