

MISD Foundation Scholarships Eligibility and Guidelines

Eligibility and selection criteria for six scholarships funded by the MISD Foundation for Excellence are described on two pages which follow. The scholarships are the Alexander, Boone, Carroll, Jeffrey, Payne, and Rogers scholarships.

Applicants should use one form: the **Application Form; MISD Foundation Scholarships**.

Applications require two letters of reference. As indicated in the guidelines, some scholarships specify who must write the letters, and one requires supplementary documents. Applicants are responsible for requesting letters and insuring writers are aware of the deadline.

The **Application Form** is available on the foundation website: <http://www.murrayfoundation.net/> or from the MHS counselor. Supplementary forms for the Rogers scholarship are available only from the counselor. All information requested on the form is used by at least one of the committees who select recipients, but some information (for example class rank) is not used by some committees.

Applications and supporting documents, including letters of reference, must be submitted to the MHS Counselor by the scholarship application **deadline**: noon on the Friday before Spring Break.

Two other foundation scholarships are described on a fourth page. The Barnett requires a letter of nomination but not an application. The Burgess-Spann uses a special application form and follows a different schedule.
